FOREWORD

Dedication

The 1976, Forward is dedicated to the spirit of America. In this bicentennial year the students of Franklin High School dedicate themselves to making the years ahead as great as our nation's first two hundred.

In Memoriam

Todd Kneser

Born--March 13, 1956

Died--May 14, 1975

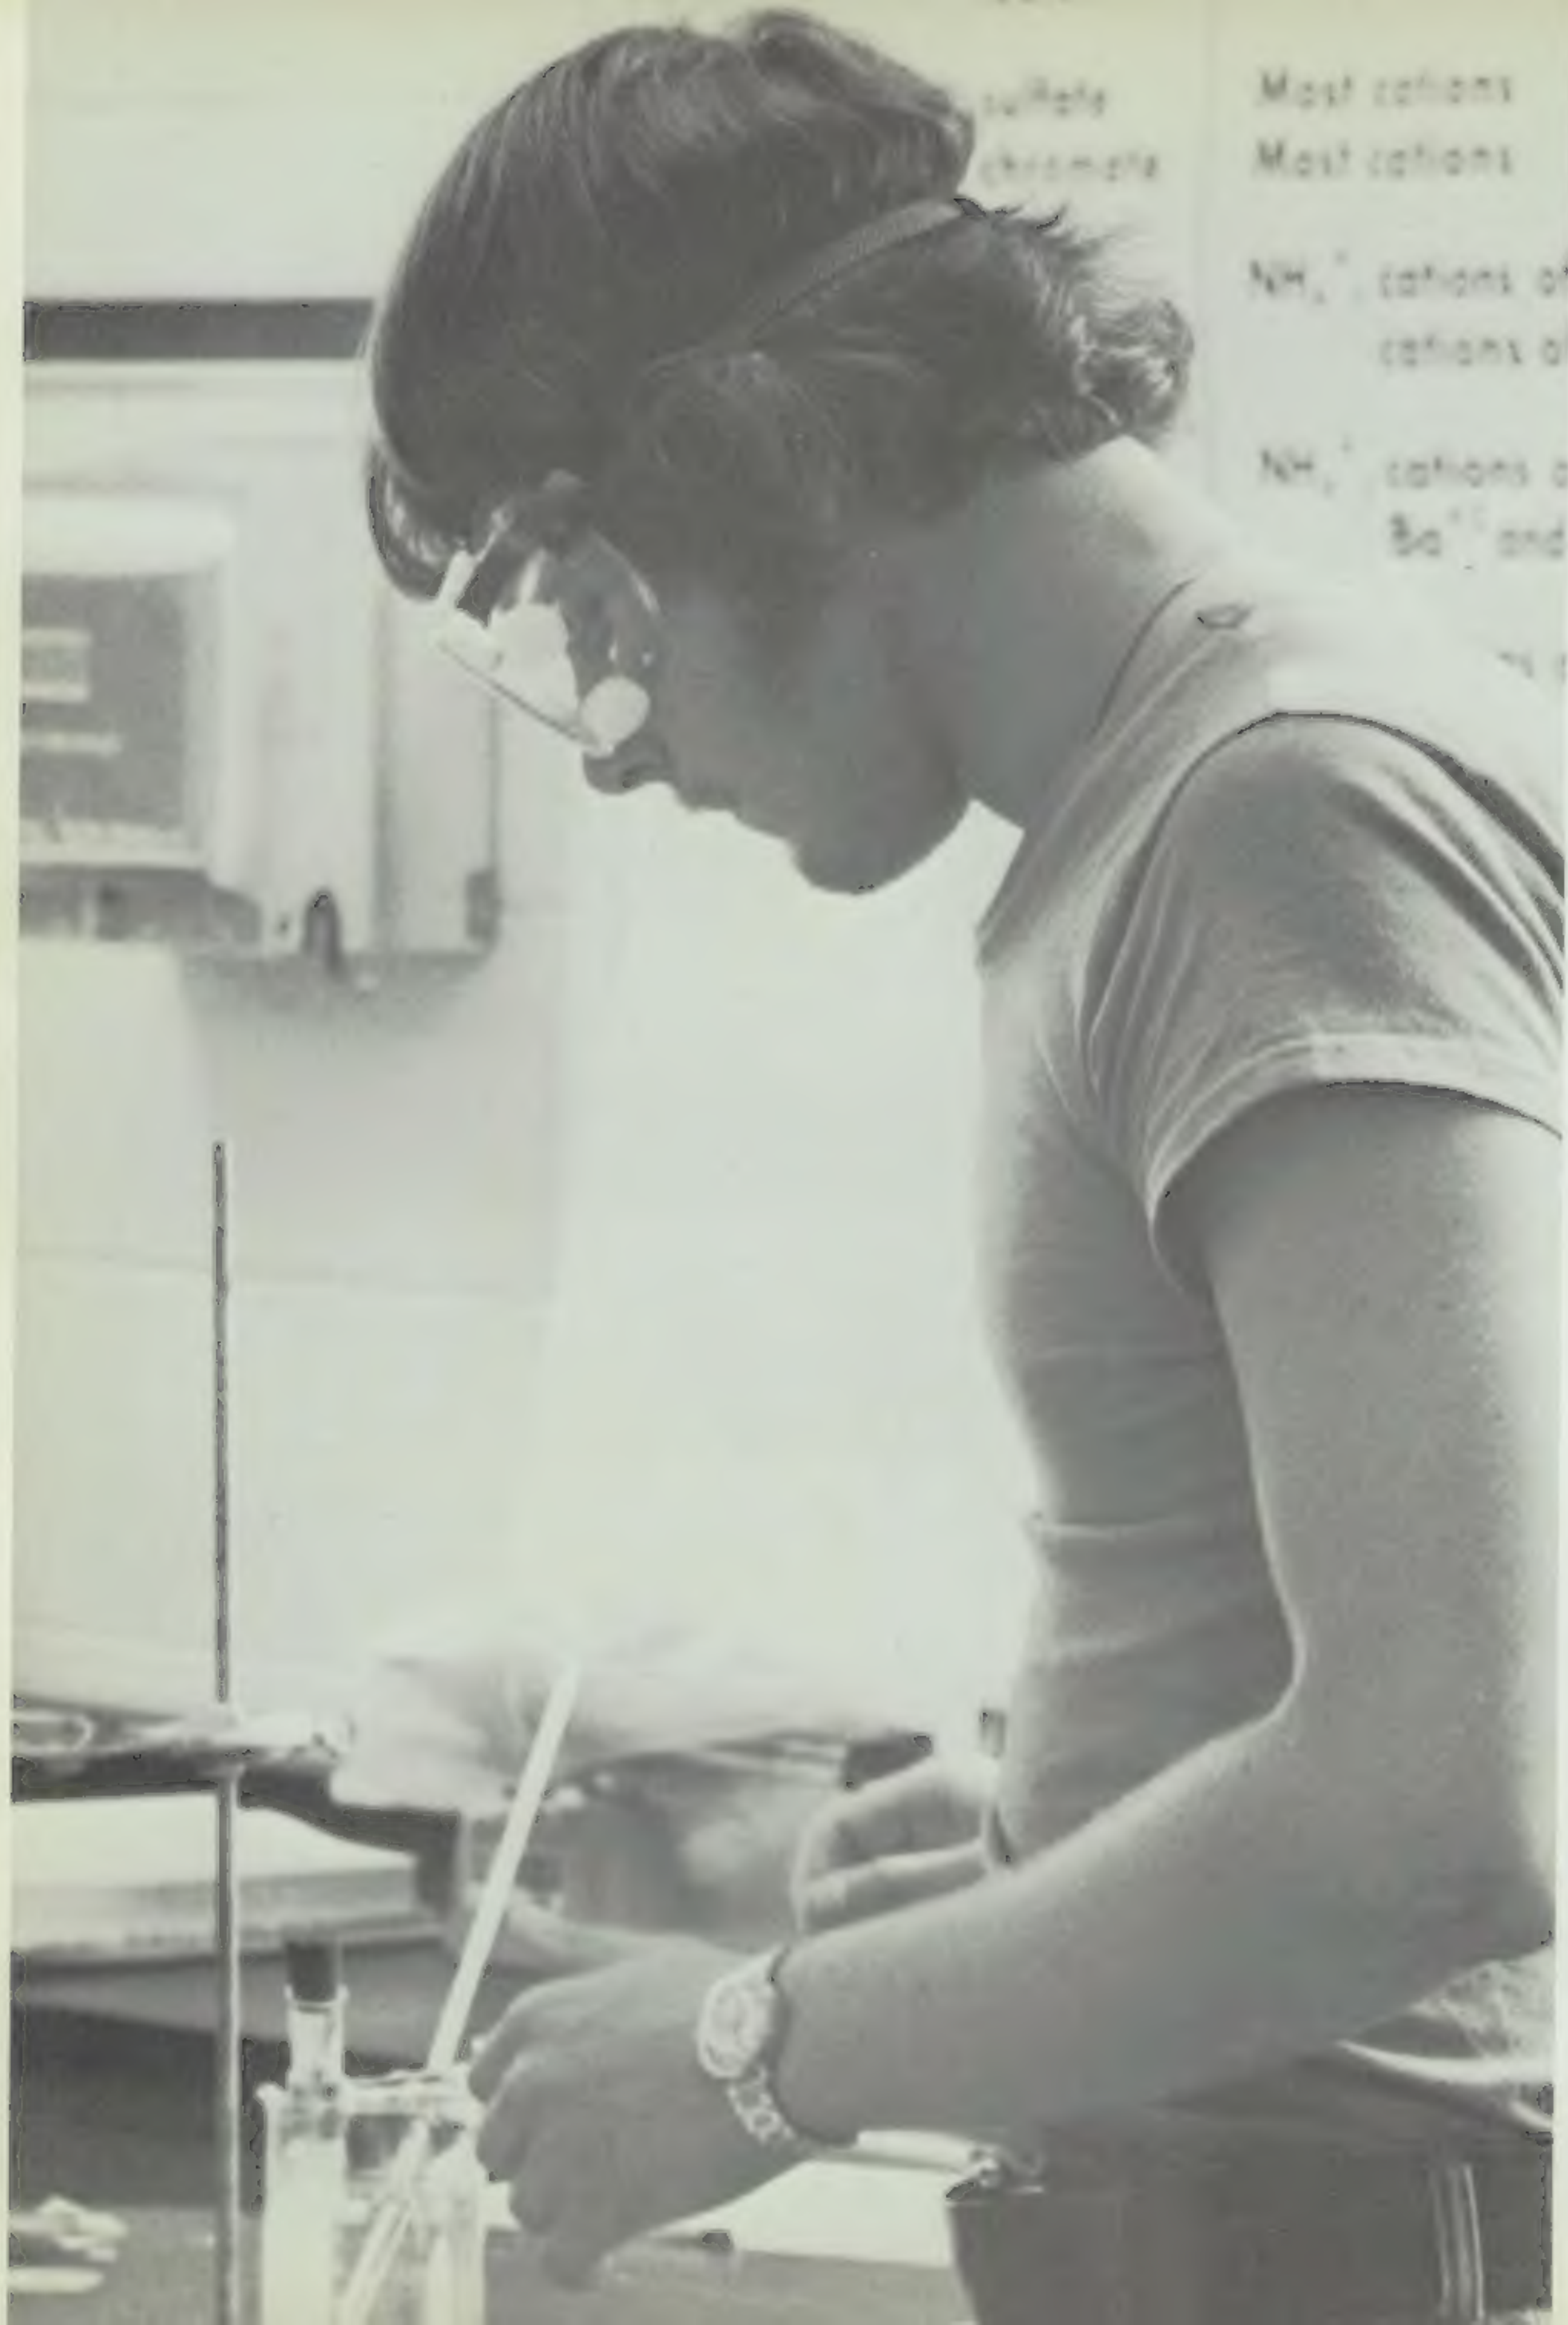

It's difficult for me to accept the reality of what I've just said; even though, I have just said it. Death to most of us is a mystery; however; we understand death for the first time when he puts his hand upon one whom we love. While Todd was with us, his collection of friends and accomplishments were ample. Certainly his life was more significant than a few lines in the morning or evening newspapers. To his family, he was a devoted son and brother. To his peers; a person who cared. To his instructors; a scholar. To his teammates; most valuable. To his coaches; an athlete who took little and contributed much. And to all a friend indeed. Although the story of life will most assuredly go on; it appears as if death has stolen an important chapter from us.

Language Studies Further

International Harmony

The students of foreign languages at Franklin High School do more than study vocabulary, conversation, and grammar. In Spanish, German, Latin and French classes students gain an understanding of the people that use these major languages. The International Club and individual language classes were busy this year with projects and planning banquets and field trips.

Distributive education students learn about the world of work through vocational guidance, classroom work and on-the-job training. Students who enroll in this program begin their training during their junior year, and culminate their program in the senior year. During the senior year these students attend regular classes at Franklin high School in the morning and go to work in the afternoons or evenings. Their experiences on the job are examined in class.

Physical Education Translates Into Sound Bodies And Minds

The importance of a healthy mind and body were stressed in physical education classes and senior health classes. Through sports the physical, mental, emotional and social qualities of the students life were improved. The health classes emphasized emergency self help. The basics of first aid were taught to the seniors so that in the event of a disaster they would be able to help their families, friends or themselves.

Drivers Education

Offered to school graduates, the drivers education course included thirty-six hours of classroom instruction, and six hours of actual behind the wheel training in the latest model cars. Completion of the course and attainment of a license made the students eligible for lower insurance rates.

Instruction was supplemented by pamphlets from auto insurance companies and from the National Safety Council. Films provided visual aids on teaching the importance of defensive driving and behind the wheel safety.

Art Molds The Mind

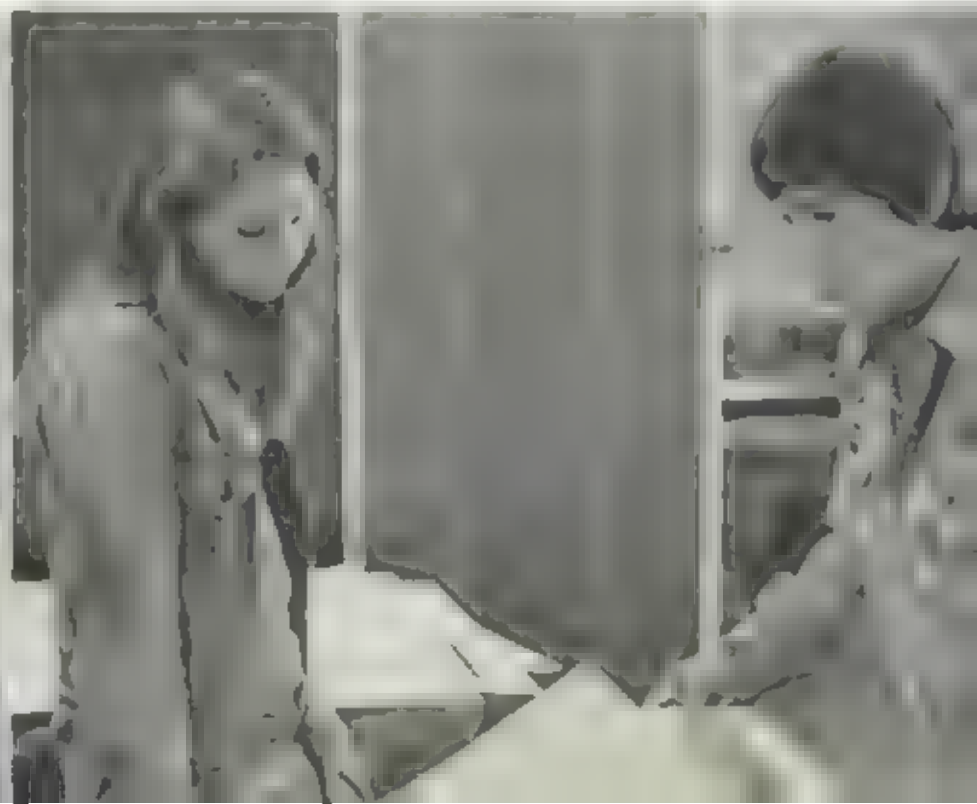

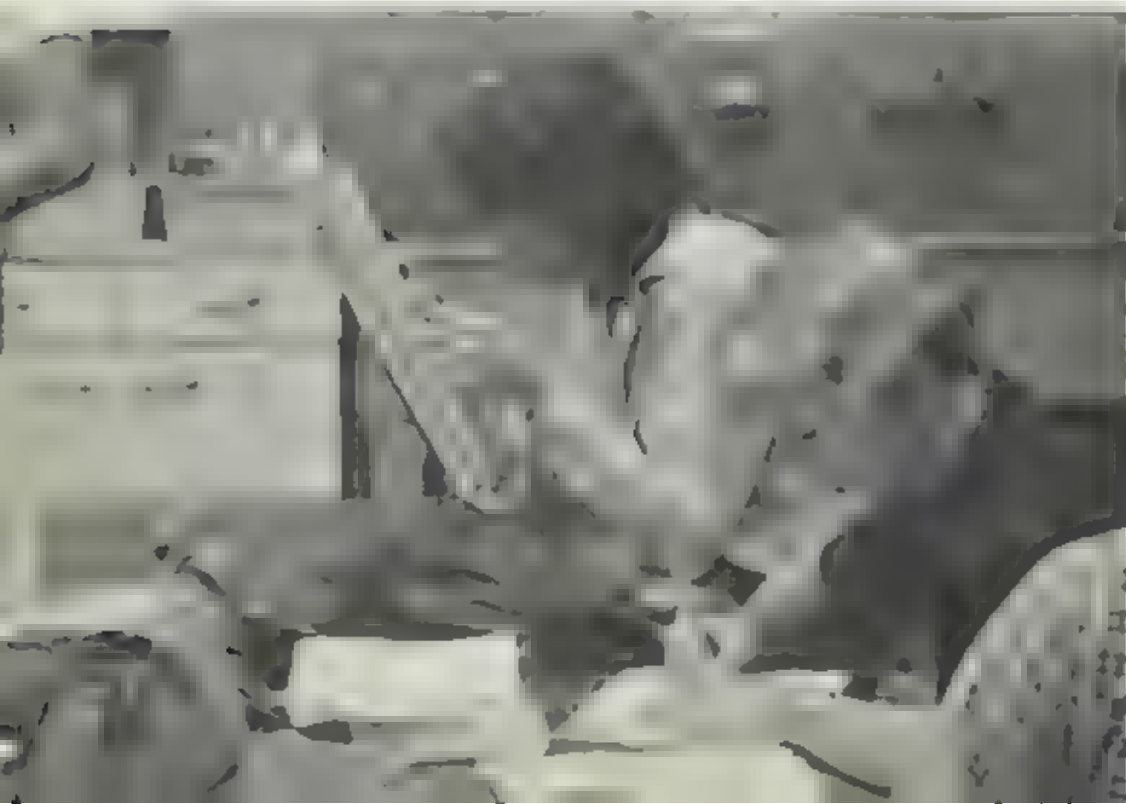

"Art is the path of the creator at his work." Franklin High School gives its young "creators" many opportunities to creatively express themselves through a wide range of medias. A four year art program begins by teaching art students the basic concepts of color and design, and proceeds through studies of art forms such as painting, pottery, jewelry, and printing.

Band And Choir Improve Musical Skills

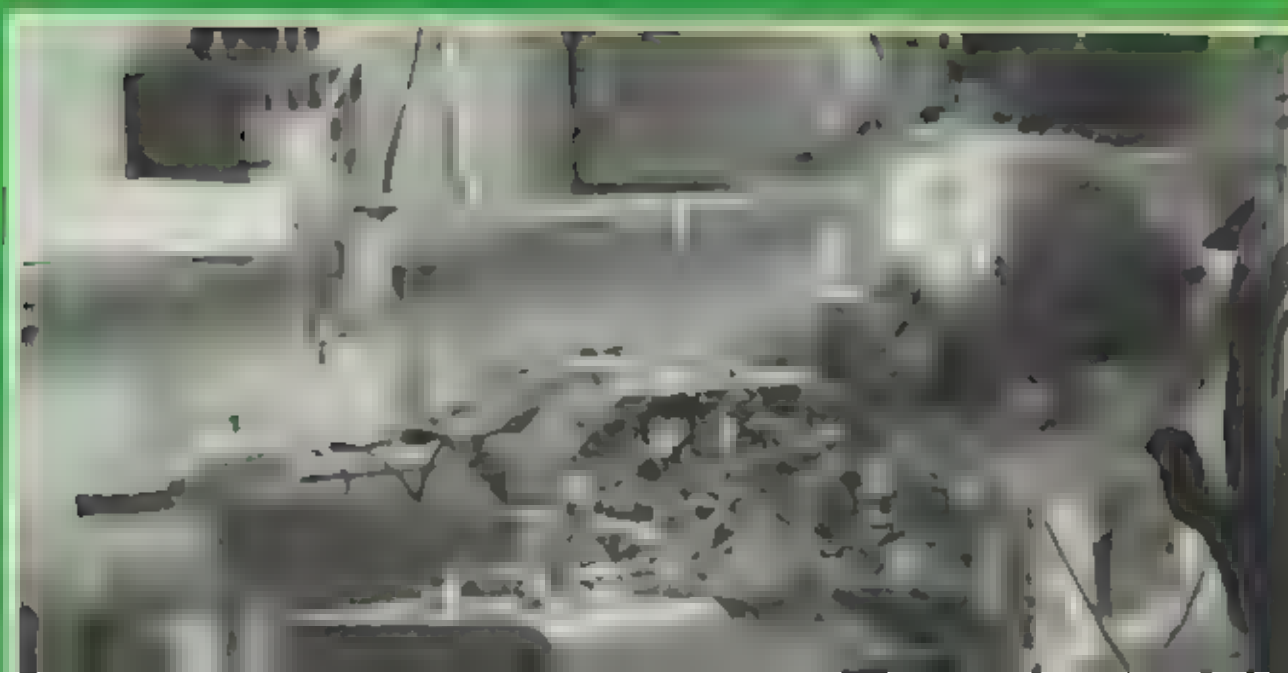

Mr. Wayne Zeleski
Mr. Al Treske

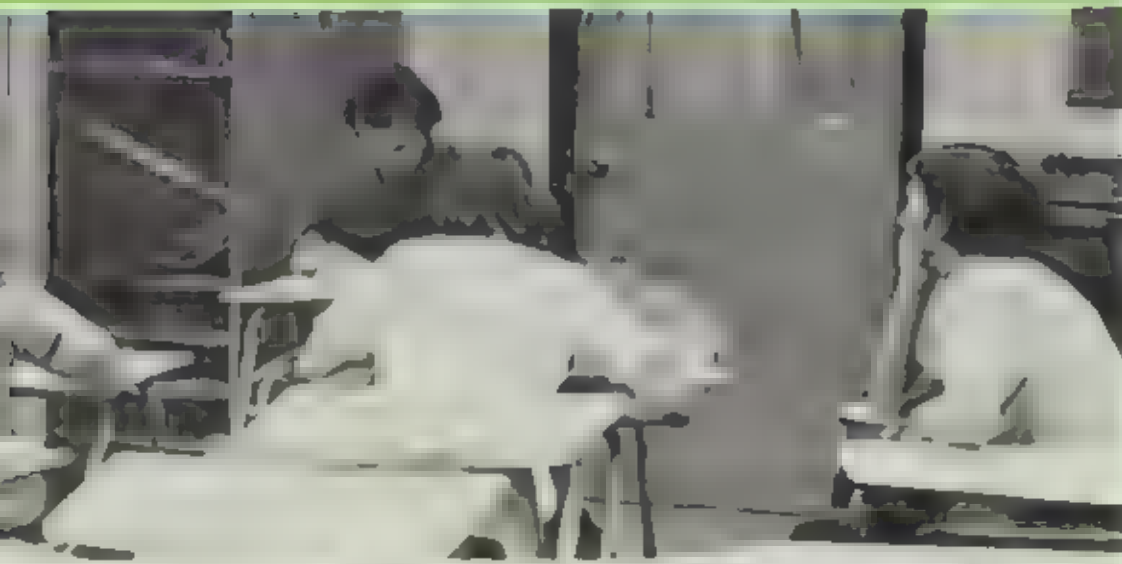

In music classes students received a greater knowledge and appreciation of music. Courses offered include band, choir, Girl's Glee, voice and instrumental lessons, and harmonic theory. Music students were given the opportunity to perform in public concerts, school assemblies, and music competitions, including the Solo and Ensemble contest.

ACTIVITIES

Evening In Paris

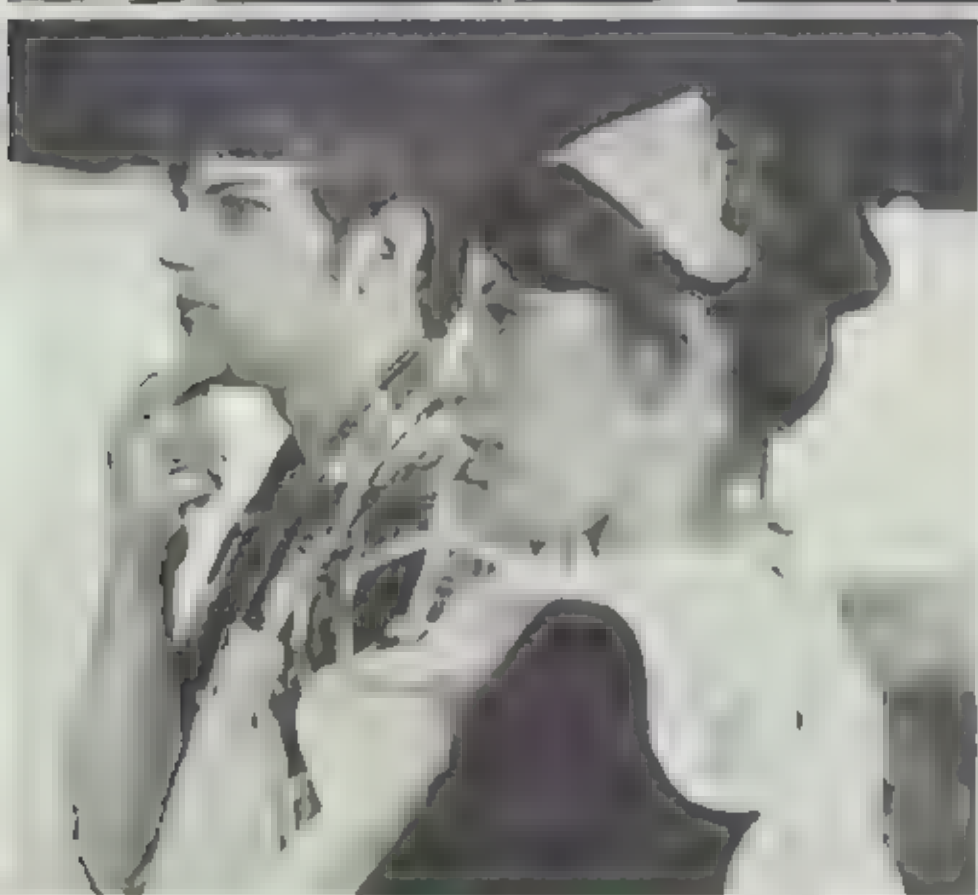

This spring, Mr. DeWard directed another fine production, "Dirty Work At The Crossroads." The actors in the play were outstanding in their roles. The villain--Munro Munro was played by Mark Rutkowski, was the most dashing and devilish of all time; his chief lieutenant Ida Blumgold, played by Janet Pirano was equally corrupt; the love--the heroine played by Sherry Schultz was extremely virtuous and innocent, and her fiance, Adam Oakhart was an upright young man. Munro one who could not resist a good thing out of her fortune chose Nellie as his next victim. She fell for him, the young Adam. The romance falls thru and Nellie is left alone. Adam returns and is charged with the presumed murder of Ida Mookie Muggagans. The friendly sheriff played by Rick Smitz, releases Adam but Munro returns in time to obstruct the beautiful Nellie and tie the sheriff and Adam to the railroad tracks. He catches him on foot in the track and Ida returns perfectly healthy. She reports that she has returned and releases Adam and Mookie. She leaves Munro caught in the tracks and his diabolical life ends. All are allowed to live in peace.

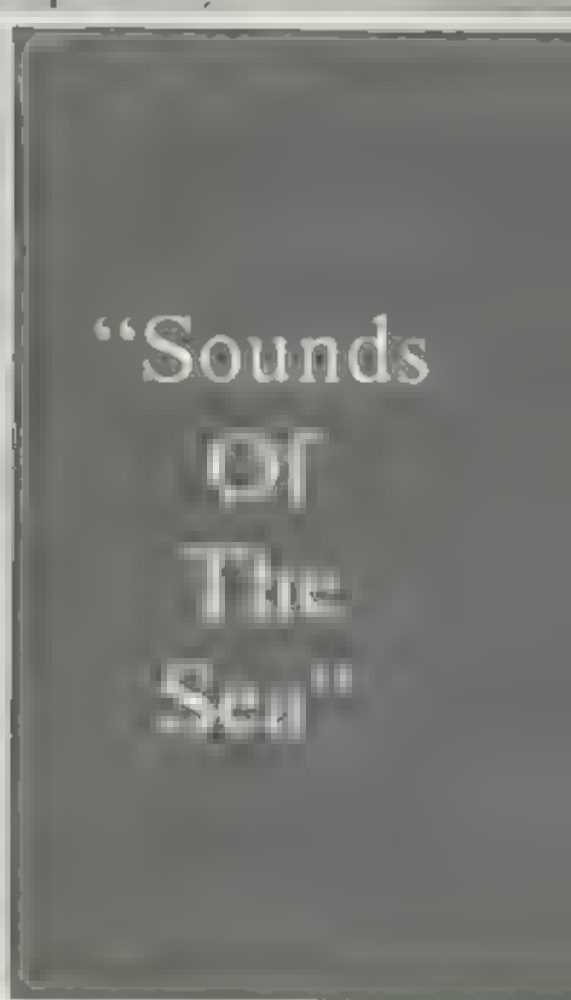

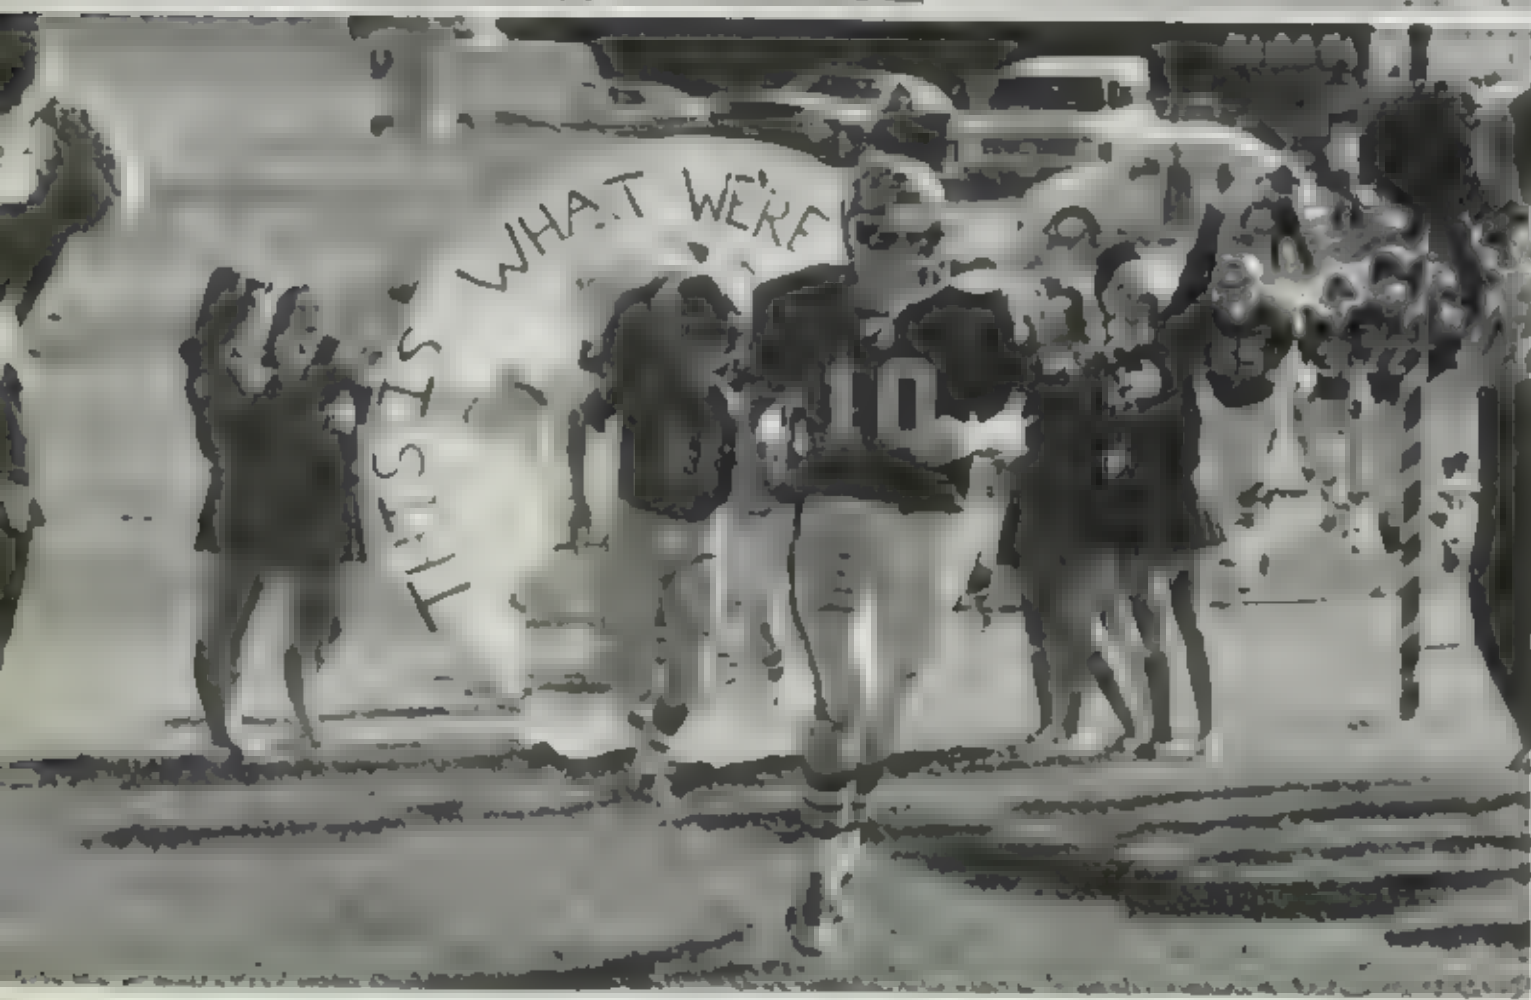

Mr. Marco was the technical director and Nancy Aten was the lighting technician.

Whitnall Choir At Franklin

This year the Franklin Choir began an exchange concert series with the choir from Whitnall High School.

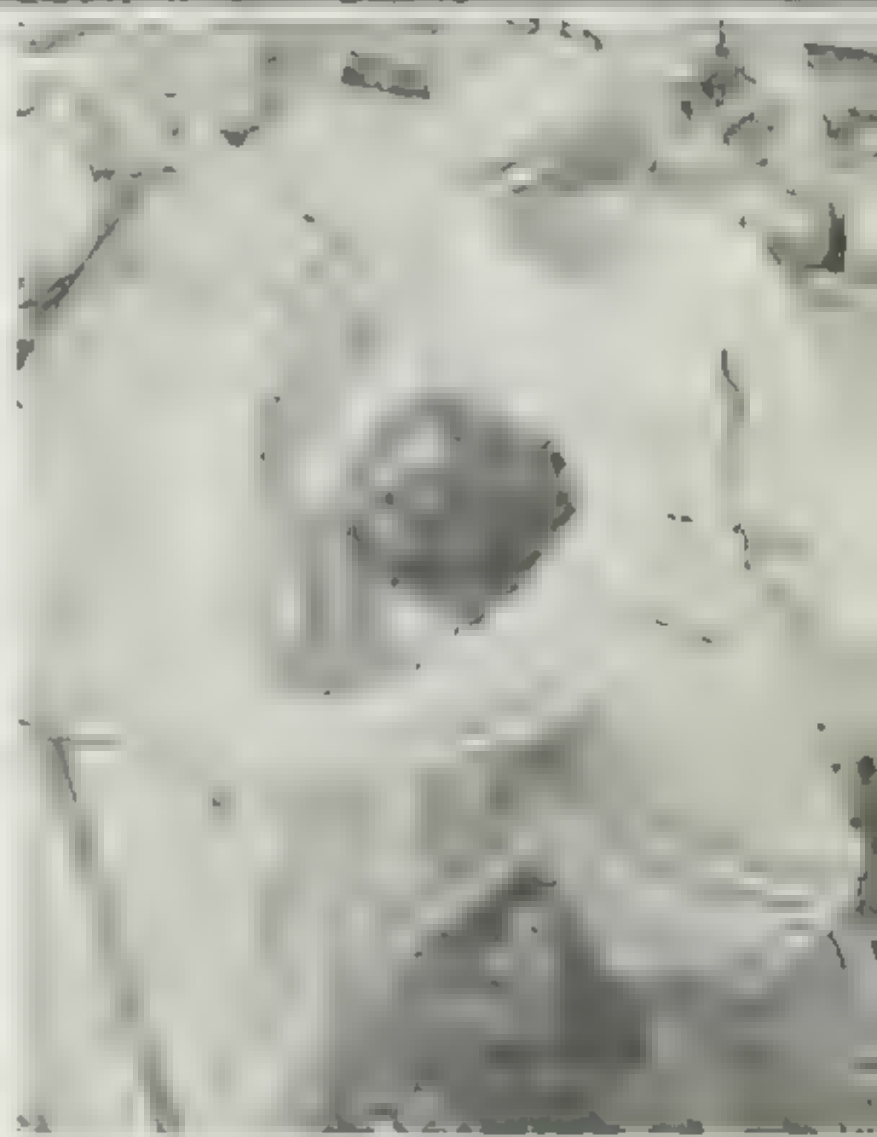

The Whitnall Choir came to Franklin in December to perform for the student body in a voluntary assembly. In the Spring, Franklin returned the visit by traveling to Whitnall to perform for their student body.

F.H.S. Students Digging Up The Past

During the school year Franklin High School students participate in a wide variety of field trips. The trip pictured on this page was planned jointly by the high school anthropology class, Forest Park Middle School science and history students, and the Franklin Historical Society. The trips plan called for an excavation around the foundation of the pre-Civil War Godsell home, the above ground structure having already been moved to Legend Park, and for a search of the grounds. The excavation and search led to the discovery of some artifacts, which were taken for display at Forest Park.

“Hare And The Tortoise” Takes An “A” At State

This years contest play "The Hare and the Tortoise" directed by Mrs. Jean Krueger, worked its way through district and sectionals, receiving "A" ratings. At state the play also received an "A".

The cast included Jill Hartling, as the Hare, Peggy Pezze, as the Tortoise, Jill Jozwiak, as the Bager, Carol Mainus as Mrs. Warren, Mike Davis as the Hedgehog, Jane Gyuro, as the Rat, Alan Stroik, as Squirrel, Terry Maas, as the Rock, and Mary Stein, as the Hound. The other human characters were played by Nancy Aten, Wendy Swanson, Kathy Riske, and Eddie Albright.

Helping with the make up and staging were Jan Piraino, Debbie Bartlien, Barb Hecker, Karen Worzella, Ann Marie Stich, Mara Handziak, Laurie Kirkpatrick, Debbie Standaert, Sandy Platek, Patty Denk, Terry Sherrie, Cathy Sineath, Dawn Nichols, Dawn Pagels, Debbie Clybourn, Dan Hesse, Greg Schneider, and Jean Handziak.

A Memorial To Mr. DeWard

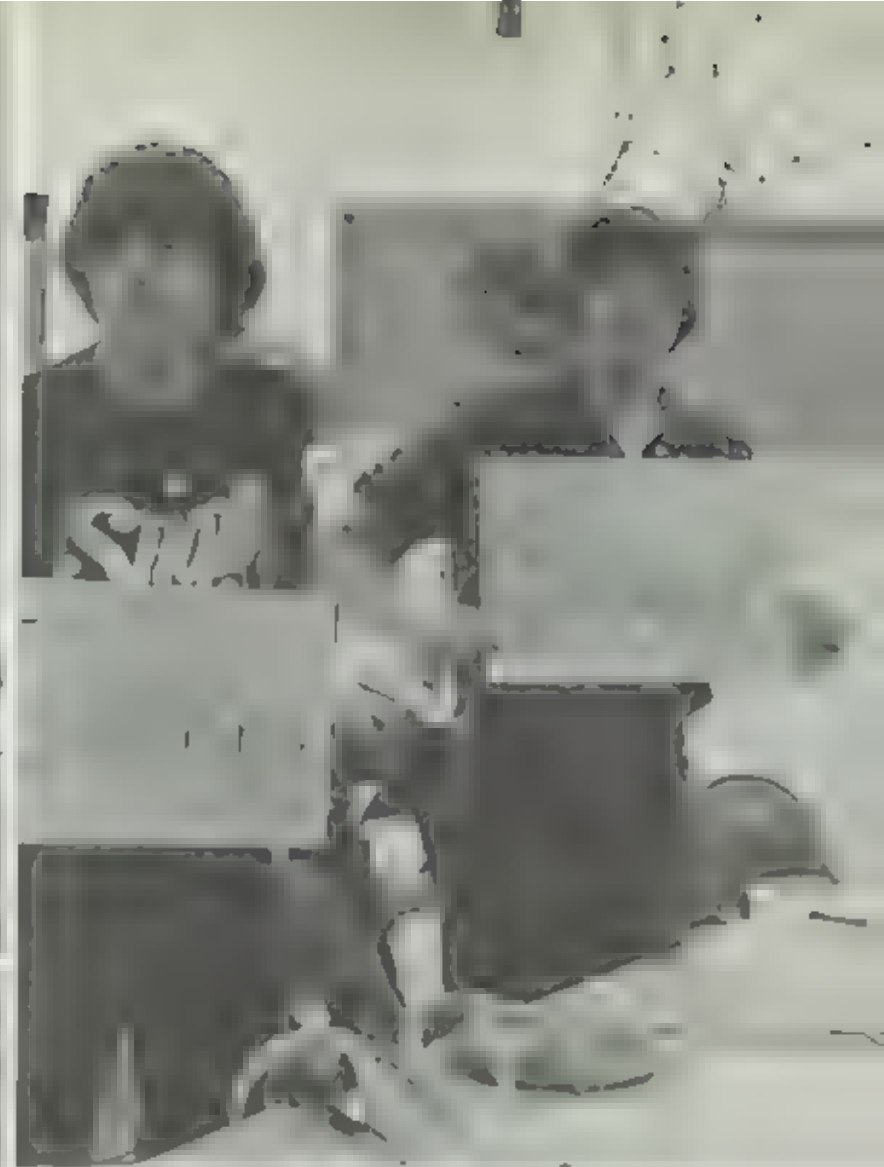

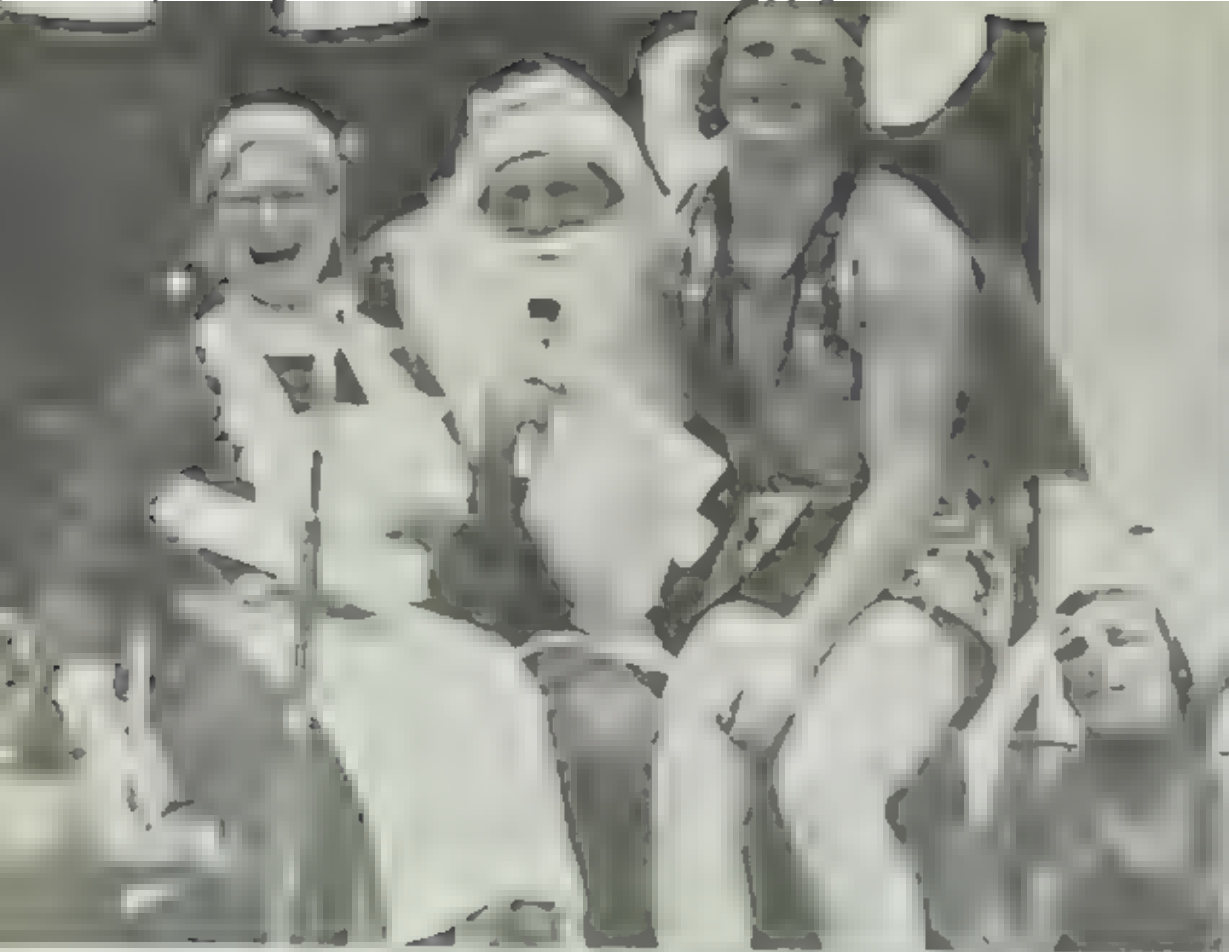

Before his premature death on July 24, 1975, Mr. DeWard was the director of the vocal and drama departments at FHS.

Most of all, he was a friend to all of his students. Mr. DeWard always had time to help us "kids," as he always called us, and to listen to us. He never put off giving special help to those who wanted it.

Words are not enough to express the love and dedication he gave to each of us who knew him, and the love and appreciation we gave in return.

The Administration Defines And Enacts Policy

The welfare and educational needs of Franklin students were guided by the administration and school board of School District Five Franklin. Many hours were spent in planning and examining those methods which would give the young people of Franklin the best chance to grow in knowledge.

As part of this year's short and long range planning the school board and administration gave very careful consideration to the school district's budget and the expansion program at Franklin High which is being completed this year.

Representing our student body are the young men and women of the student council. The council sponsors various projects in which Franklin High School students participate in and benefit from. Some of it's projects for this year include the showing of two major movies, "The Sting", and "American Graffiti"; the drive for color and advertisement in the annual; the Blood Donor Day; Bicentennial plans; fund raising for the vending machine and juke box; homecoming; and leadership training programs.

National Honor Society

Junior and Senior students who qualify on the basis of leadership, character, scholarship, and service are installed into the membership of the John F. Kennedy Chapter of the National Honor Society. Membership in this chapter is considered an honor and an achievement.

The National Honor Society sponsors the annual recognition dinner, which honors all students who have made outstanding achievements in extra curricular activities other than athletics. To finance this project, members work in a refreshment booth at the Fourth of July celebration. The officers of the National Honor Society are: President; Mark Holtermann, Vice President; Mary Kucinski, Treasurer; Louis Iost, Secretary; Val Alex.

J.V. Builds For The Future

Franklin's J.V. ended their football season with a 2 and 5 won-loss record. Many of their games were played against teams consisting mostly of Juniors, where the Sabers used only four Juniors.

Some of the young men that performed well for the J.V.'s were Glen Glow, Mike Pisco, Chris York, Jeff Marek, Dale Wiza, Dave Megna, Todd Olsen, and Mike Mohrlhusen. Franklin will be looking forward to these and others to help fill vacancies on the Varsity squad next season.

This year's Freshman football team with a record of 3 wins, 2 losses, and 1 tie, gave us the best frosh record in the history of Franklin High School. A total of 116 points scored also set a ninth grade record.

Injuries slowed down the Sabers early in the season but they came back and tied undefeated Muskego after being behind 14-0 mid-way in the fourth quarter. The tying points were scored with 7 seconds remaining.

Girl's Basketball

The young age of the girl's varsity basketball team, along with a very long season did not alter the squads positive moral. The varsity finished their season with a win-loss record of 1-15, and the J. V. squad had a 4-12 record.

The captain of the varsity team was senior Linda Kulka, one of only four senior on the squad. Laura Lembke was captain of the J. V. team.

Saber's Rebuild

With only three lettermen returning, the Sabers fought their way through a tough basketball season, suffering the losses of some close games. With this young team the season was primarily a rebuilding year as it provided valuable experience for next year's squad.

This year, it wasn't the winning that counted, but the sportsmanship with which the team played.

Junior, Mark Carstensen received an honorable mention on the All Conference team.

J.V.'s Fourth In Conference

Franklin's J.V. posted a eleven and seven record with their conference record of ten and six giving them the fourth best record in conference.

Chris York led the team in scoring and rebounding before he was pulled up to the varsity for the last four games. Tom Duranso was the floor leader. Joel Cortez averaged thirteen points a game. Craig Gebert and Bob Lakomski completed the starting five. Key substitutes for this successful season were Pat Seib, Mike Mohrhusen, and Jim Thompson.

The Freshmen basketball team won only two games, but the potential was there. Ron Krueger was the captain of the much improved squad.

Saber's Place Third In Conference

It was a young varsity that gave Franklin a 5-3 conference record, and placed third in the Parkland Conference Meet.

Coach Keepers is quite optimistic about next year's season, which will see many returning lettermen.

Captain Steve Whitted was voted most outstanding wrestler. Dan Winter was voted most valuable. Dan was conference champ in his weight class and placed second in regionals. Mike Winter placed fourth at the state sectionals. Mark Kaschak was conference champ in his weight class and placed third at the state sectionals. He missed going to state by one point.

J.V.'s Have A 4-2-1 Season

The Junior Varsity wrestlers had a fairly good season finishing with a 4-2-1 record in conference competition, and a 3-2-0 record in non-conference. The young sabers finished sixth in a field of nine tough schools at the West Allis Hale Invitational, and did well at the Waukesha Tech Tournament to close the Season.

Frosh Show Potential

Although the freshmen wrestlers represented only nine weights out of the seventeen weight classes, each of these has a good potential for the J.V. team next year. Voted most valuable was Brian Stern, who had won six out of the seven matches he competed in this year.

Freshmen Wrestlers: C. Mares, B. Stern, A. Fettingen, Coach Zaleski, S. Traylor, M. Pyne, L. Placer.

Girls Gymnastis

The Girls Gymnastics team has much to be proud of this year after a very fine season. Many long hours were spent in practice and their efforts have been greatly appreciated.

The following girls deserve special recognition: Anna Freiheit, for achieving the highest individual score in 5 out of our 9 meets and also for receiving the most "places" of any of our gymnasts; Chris Rohrausser for acquiring most overall team points (132.80 for the season), and our co-captains Geri Kintop and Alice Elliott.

The first Parkland Conference Girls Gymnastics tournament were held this year. Placing were Karen Selke, first place beginner beam; Sue Freiheit, third place beginner beam, intermediate unevens; Cindy Robb, first place beginner vault, Amy Elletson, second place intermediate vault; Cheryl Andersen, fourth place optional vault, and Chris Rohrausser, fourth place optional all-around.

Kieffer Breaks School Records

Franklin's boys gymnastic team was a young one this year with ten of its sixteen members being first year men. They put forth a fine effort, with senior Les Kieffer leading the way. Les scored over 300 points for the team and broke school records in the highbar, parallel bar, all around, and still rings. He was voted gymnast of the year.

Other outstanding performances came from Dan Nekich in floor exercise, Paul Hesse and Mike Rohrwasser in vaulting, and John Starr on the rings.

Matched against tough opponents throughout the season, the Sabers captured a good number of titles and trophies. Among these were third place in the Indoor Conference, third place in the Conference Relays, and firsts in the Grafton Invitational and the Saber Invitational. This led up to our great victory at the Parkland Conference Meet. With eight individual conference titles, four of these going to Terry Cruikshank, two to Bob Eddy, one to John Scheetz, and one to the relay team of John Wajer, Larry Rohrwasser, Dean Goetz, and Rick Schulz. It was a fitting climax to an outstanding year.

At the Regional Meet Franklin placed third out of eight teams. At Sectionals, the Sabers placed fourth out of sixteen teams.

Terry Cruikshank went to State in low hurdles, high hurdles, and long jump. Terry holds the Class A low hurdle crown.

Sabers Third In Conference Play

The mighty Franklin Sabers finished third in the conference with a record of ten wins and five losses.

Selected for the All-Conference first team were Rick Duranso, pitcher, Dean Goetz, first base, and Andy Johnson, second base. John Wajer was selected for outfield on the second team. Leading hitters for the season were Andy Johnson, .386, and Dean Goetz, .358. As Coach Brockway said the "season was respectable but somewhat disappointing.

The Saber J.V.'s finished strongly after a disappointing start. After winning the first game and then losing five consecutive games the Sabers settled down and won nine out of the last ten games. Their final record being ten wins and six losses. Dan Rather was selected as the most valuable player. Tom Duranso, selected team captain, led the J.V.s with a .421 batting average.

Dina And

This past year, Franklin High School had two A. F. S. students under it's roof, John Peart from Bairnsdale, Australia; and Konstadina "Dina" Kanallekapoulou of Patras, Greece.

John Stayed with the Ronald Bettach family, while Dina stayed at the Richard Parker home.

In the fall, both John and Dina were honorary court members for the Senior Homecoming dance.

John participated in Saber sports activities as a member of the J. V. and Varsity football squads and co-manager of the Varsity basketball team.

Knowing John and Dina was an experience and a pleasure. Franklin High enjoyed having them as A. F. S. students and hope that they enjoyed their year of learning at F. H. S.

Congratulations
to the
Class of 1976

This is the place I spent
my childhood. I
loved you & here. English
wouldn't be the same
if I didn't hear your
speeches. They were
so different.

1. The first part of the paper
is devoted to a general
discussion of the problem
of the existence of solutions
of the system of equations
which governs the motion
of a particle in a magnetic
field. It is shown that
the system of equations
can be reduced to a
single equation of the
second order. The
existence of solutions
is then proved by
the method of
successive approximations.
The second part of the
paper is devoted to a
detailed study of the
properties of the solutions
of the system of equations.
It is shown that the
solutions are periodic
functions of the time.
The period of the
oscillations is found to
be independent of the
strength of the magnetic
field. The amplitude of
the oscillations is found
to be proportional to the
square root of the
strength of the magnetic
field. The frequency of
the oscillations is found
to be proportional to the
strength of the magnetic
field. The period of the
oscillations is found to
be independent of the

My dear friends,
I have just received your letter
and am very glad to hear from you.
I hope you are all well and happy.
I have been thinking of you very much
and would like to see you all very much.
I have been very busy lately but
I have managed to find some time
to write you a few lines.
I hope you will excuse my
writing so late.

Susie, I really didn't
get to know you that
good but hope I will
next year. Have a good
summer.

Susie-
Good luck
in the coming
year!

Suzi
its been 3 years
now since you
came here and it
was pretty fun back
in the old days.
will take it easy and
lets get together a party.
tell you to take it easy

Suzi,
Another year is done
with, thank God. Maybe
this summer we can
get tons of people to-
gether and party!
Good luck and um...
oh ya, take it easy!

Mona

To Sue,
You are a real
blast in crafts
and gym. (Even
though you got out
of few things in crafts)
I hope you have fun
this summer and don't
get into trouble.
LeeAnn Christian
Bye Now!

Suzi,
Have fun this
summer maybe
I'll see you
around and will
party or something.
Diane Schneider.

Bye
the you over
the summer over
we'll party and
see you next year
